Dear Ms. Kelley:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report contains incorrect Column B figures for Lines 6(a), 6(c), 7(a), 7(c), 11(a)(iii), 11(e), 16, 17, and 22 of the Summary and Detailed Summary Page information. When aggregating and reporting receipts and disbursements, candidate committees are required to disclose their activity on an election-cycle basis, from 11/3/04 to 11/7/06. Please amend your report to show election cycle-to-date figures for all aggregate amounts. (2 U.S.C. § 434(b))

-A review of your itemized receipts indicates a discrepancy in your aggregate election cycle-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee given in the election cycle. Please review your procedures for compliance with this requirement and amend your report(s) as necessary. (11 CFR § 104.3(a)(3))

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 2006 12-Day Pre-General Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report
